NISSAN MICRA

David Motton, Editor, FirstCar magazine, commented:

"The Nissan Micra is a worthy winner of both the 2019 Supermini of the Year and the 2019 New Car of the Year. We're delighted that Nissan has made big car safety features like autonomous emergency braking standard on the Micra. What's more, fuel efficient engines and low insurance groupings make the Micra affordable to run, even on a tight budget."
